Welcome to HellHades' ultimate guide for Raid: Shadow Legends! On this site, you'll find the latest builds, guides, and videos for the game. HellHades has been creating content for the Raid community for years, developing comprehensive strategies and guides for both new and experienced players. With over 800 champions in RAID: Shadow Legends, we've compiled a tier list to help you understand their relative standings based on performance across various contents. However, remember that the game's meta can shift with updates, and champion effectiveness can vary depending on individual account progress, team compositions, and specific game modes. Always consider your unique situation and challenges when selecting champions for your team. As a bonus, use our redeem code GAMELEAP to receive free rewards: 1 Energy Potion, 100k Silver, and 10x XP Brews! The GAMELEAP code works for both new and existing players in Raid Shadow Legends. If you're new to RAID: Shadow Legends, sign up here to receive two free champions - Vergis and Tayrel - along with some other goodies that will make your journey easier.
